How *Drummer* TOUGH CUSTOMER Magazines Came To Be

Once upon a time, Jack Fritscher, the groin-activated brain behind Palm Drive Video who was Editor-in-Chief of *Drummer* at the time, got a great idea. He thought it would be cool to publish some photos submitted by the magazine's readers. He was about as right as you can get!

That was around issue 25 of *Drummer*, and the new section was a sensation. Through the 125 issues of *Drummer* since then, Tough Customers has been one of the consistently most popular features of the magazine.

The logical extension of Jack's idea—a whole magazine devoted to the TC pix—was born in 1989, in a meeting where publisher Anthony F. DeBlase and managing editor Joseph W. Bean asked the question "Which of all possible special publications we might do would our readers most enjoy?"

A recent reader survey answered the question, the avalanche of TC photos we were receiving confirmed the answer, and *Drummer Tough Customers* first issue was created. Here's TC #2... *enjoy it!*

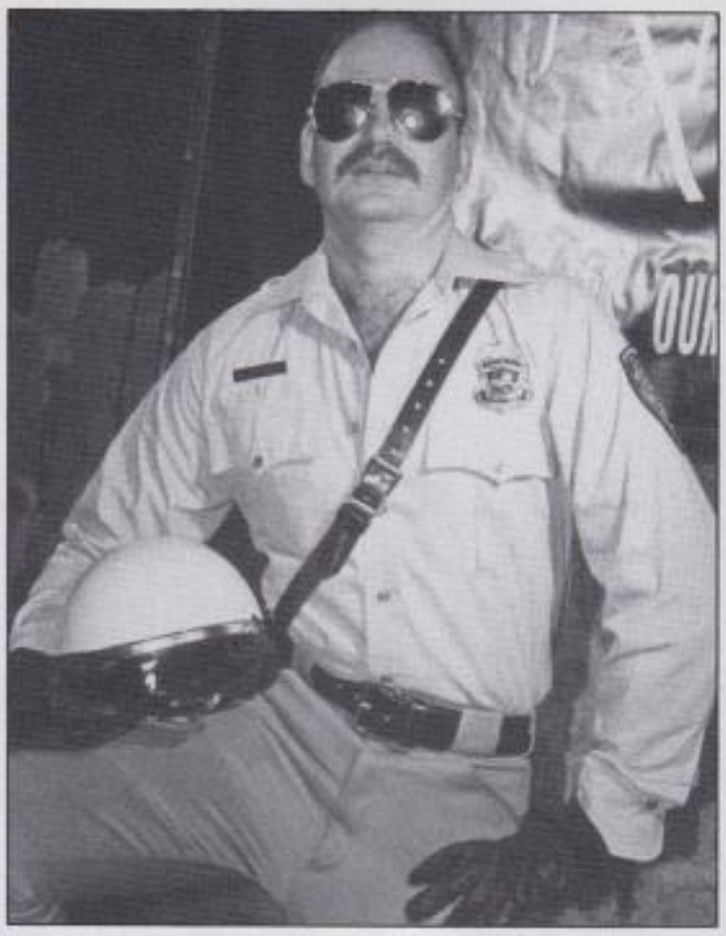
A TC TALE BY

Tough Customer 02-267



A True Fantasy

If you want to get in touch with this imaginative TC, you can write to him using the instructions on page 4. He says he's a CHP son in search of Dad, and he's into bondage, discipline, uniforms, leather and sports.

I live in Texas. I was out one night last fall for a cold beer in my C.H.P. Uniform when I met two visiting leathermen from California. We struck up a conversation and they bought me a couple more beers and a "shooter" of Schnapps. They moved in closer to me and began to "feel me up", stroking my crotch and tickling my nipples. One wanted to see my handcuffs, and as I handed them over, the other leatherman stepped behind me and pulled my arms back. Before I knew what was happening they had handcuffed *ME!*

Next they unbuttoned my uniform shirt, all the time stroking my hardening cock while it strained against my well worn jockstrap. They pulled my shirt back over my arms, and and left it hanging from the handcuffs. Then they *ripped* my athletic tank-top off! After pouring beer on it, they stuffed a piece of the undershirt in my mouth, and blindfolded me with a another piece.

They unbuttoned my Sam Browne belt and trousers far enough that my hard-on filled jockstrap was uncovered. Producing wooden clothespins they twisted and pulled my nipples, and clamped the pins on them. They began slapping the clothespins as soon as they were in place. All of this in my favorite public bar for all to see.

The leathermen were getting turned on too, kissing and feeling each other, as well as me. Then they jerked my pants back on so as make me barely decent, and they hustled me out of the bar. I was thrown into the back seat of a car, onto a pile of leather jackets, with one of the leathermen sitting on top of me. I was told they were taking me back to their hotel, a very popular and proper one, one that always has a crowd in the lobby and reception areas.

When we arrived they pulled off the blindfold, so I could see where they were taking me (and all the people gawking at us too). I was still naked to the waist. Some jock had to be showing. I was still gagged, handcuffed, and with those clothespins still on.

They almost carried me to the elevators. Talk about some shocked "Preppie" couples, and some rather interested hotel staff!

In their room, they released me temporarily while they stripped down to their leather harnesses and boots. Then they stripped me except for my Sam Browne and motorcycle boots. After recuffing me, they again attacked my sore nipples—feeling up my butt with their gloved hands, even probing their hard dicks between my legs. When I had to piss, they made me piss into an empty beer can, then threatened to make me drink it! Then they resumed the rough and tumble, wrestling-like action while they roughly explored *all* of my body, constantly jerking me off until I would *almost* cum. Then, rather than let me cum, they'd slap my dick *hard*, or squeeze my balls to the point of excruciating pain. This happened over and over. Then they took their belts and a leather covered paddle, and while one twisted my nipples and held me so that I had to suck his cock, the other would belted my ass.

Finally they threw me face down on the floor, and one started to butt fuck the other right over my face, making me lick whichever balls were the closest to my mouth. And the guy on top kept pressing his boot against my cock and balls. Right before they both started to cum they stood up over me and finished jacking off over my hairy chest. After shooting their loads, they rather tenderly took off the handcuffs and, lying on either side of me, both of them jacked me off *finally.*

We all finished stripping and fell exhausted onto the bed together—a tangled mass of limbs covered with sweat and cum.

The next morning they took me back to my truck. I was wearing my C.H.P. uniform, and they were in full leather, as we walked through the hotel.

The End.

Until the next night!

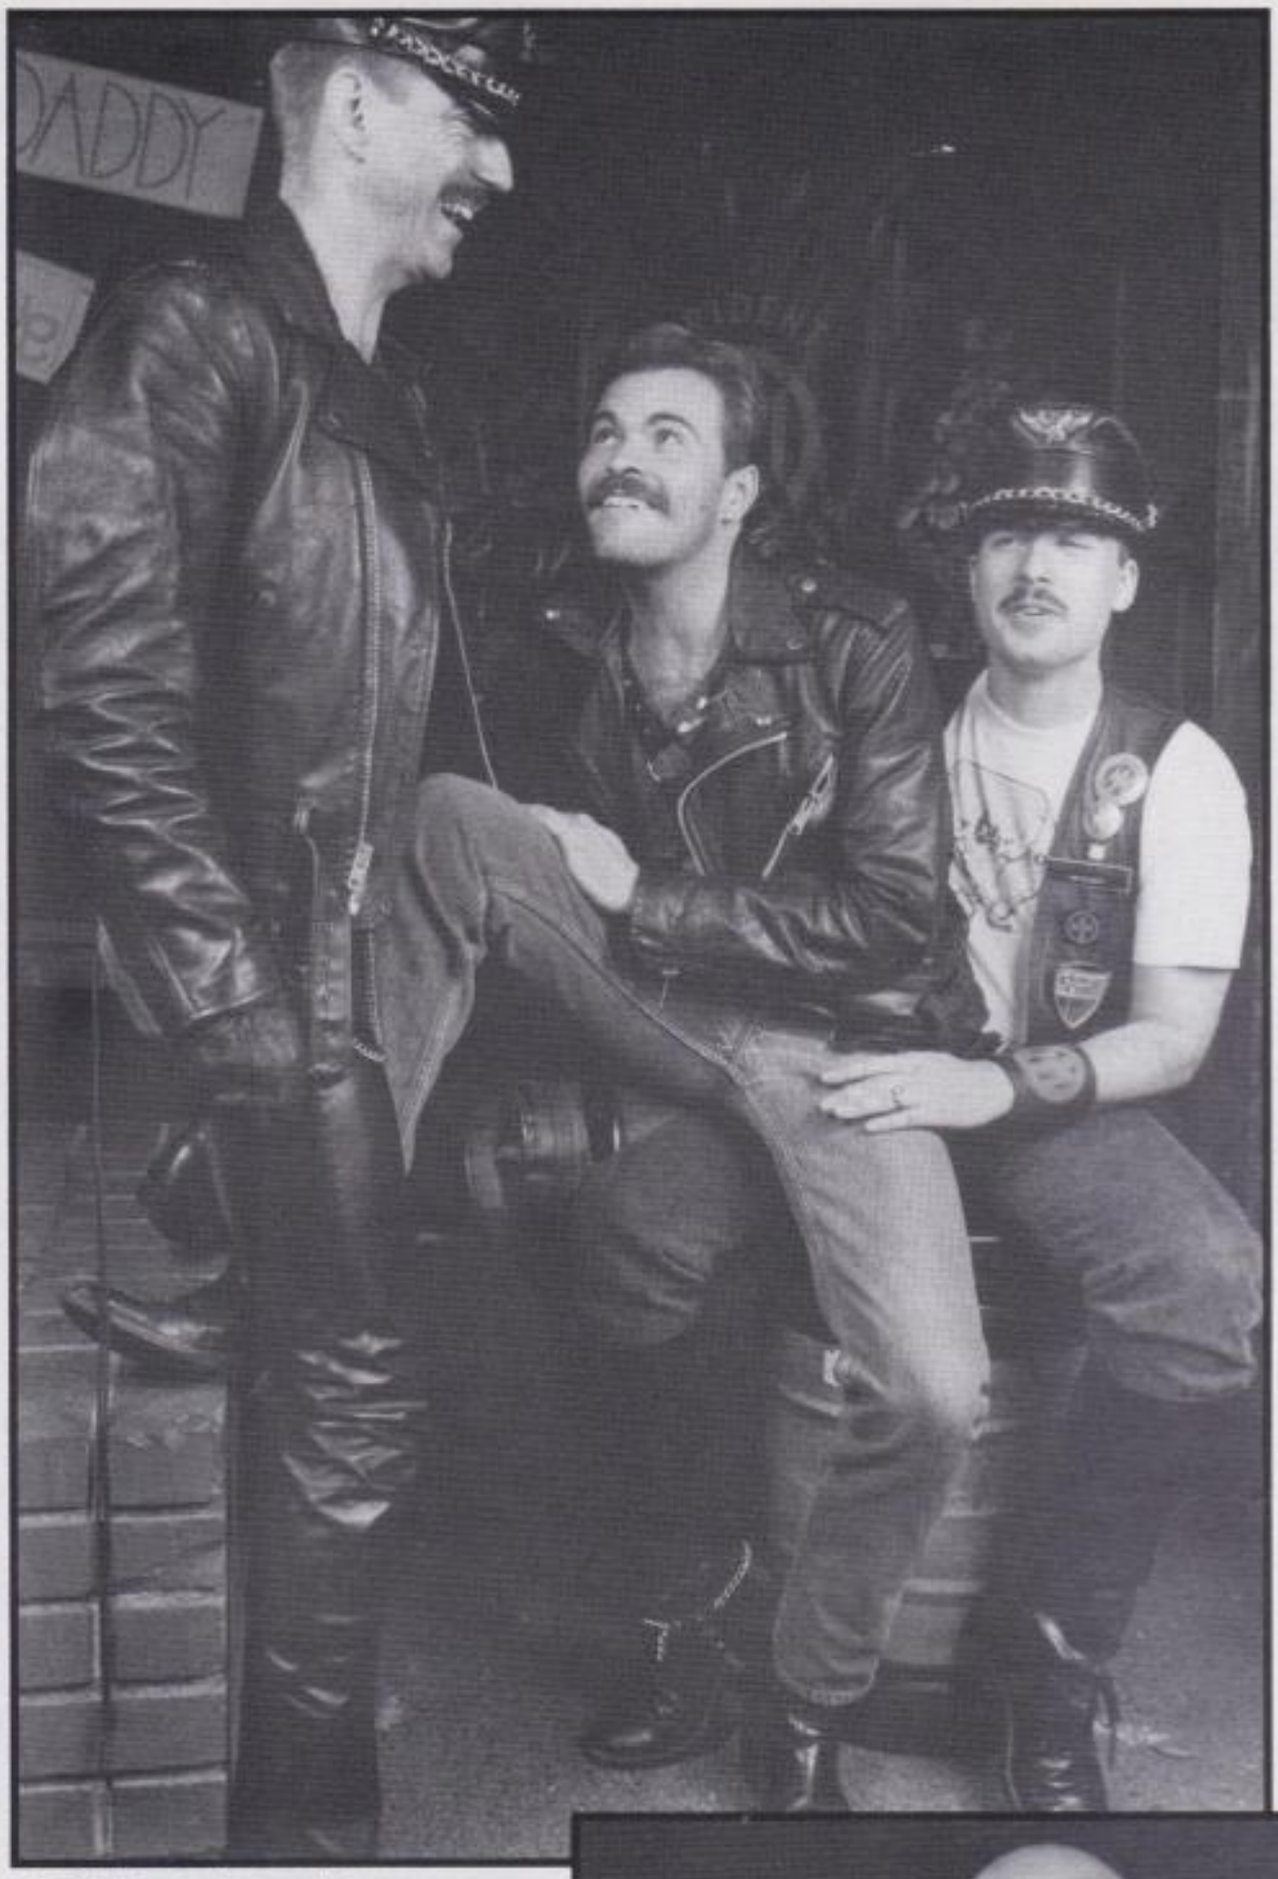
TRIDENTS INTERNATIONAL: LOS ANGELES CELEBRATE THIRD ANNIVERSARY WITH TC PARTY AT GRIFF'S BAR & GRILL

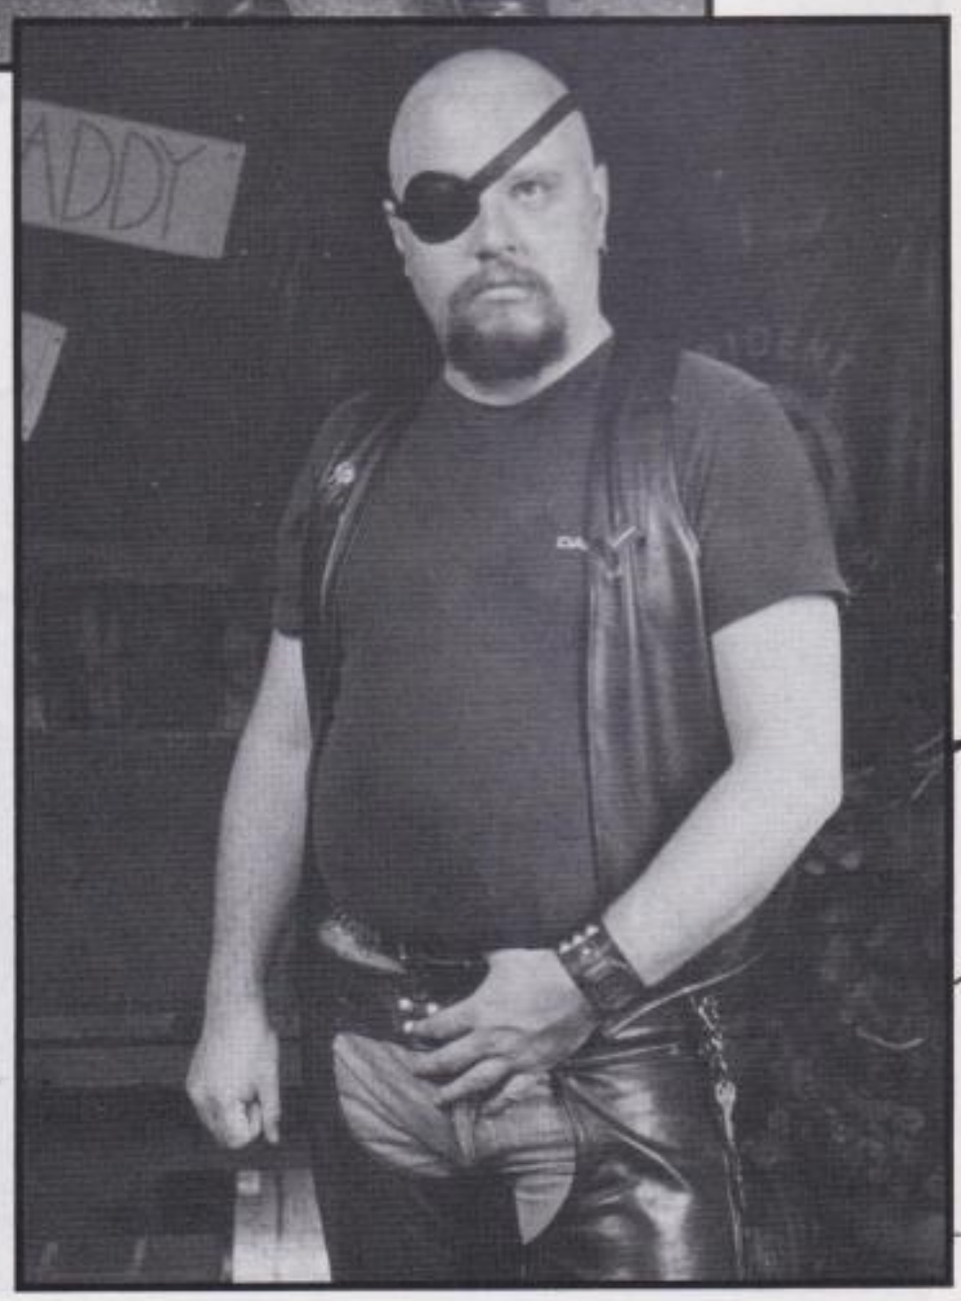
THE LOS ANGELES HALL OF TRIDENTS INTERNATIONAL PUT ON A WEEKEND OF ALL-OUT LEATHER CELEBRATING TO MARK THEIR THIRD ANNIVERSARY, AND WE ARE PLEASED THAT THEY CHOSE TO INCLUDE A DRUMMER TC PARTY IN THE PLANS.

GRIFF'S BAR & GRILL WAS THE SETTING FOR THE TC PARTY ON FRIDAY NIGHT—NOV. 16— AND FOR THE CLUB'S CHANGE OF COMMAND ON SATURDAY. THE SUNDAY BRUNCH AND BEER BUST WAS HELD AT GAUNTLET II.

FLOYD BALLOU OF *THE LEATHER JOURNAL* TOOK THE PHOTOGRAPHS OF TRIDENT MEMBERS AND GUESTS.

TWO OF THE PHOTOS HERE—THOSE OF TC 02-303 AND TC 02-300—ARE NOT BY BALLOU. THESE MEN WERE PHOTOGRAPHED AT THE PARTY, BUT THEY HAVE PROVIDED US WITH PICTURES FROM OTHER SHOOTS.





ABOVE, left to right **TC 02-295, 02-296, & 02-297** Leather, uniforms, and very particularly *firemen's uniforms* do the trick for 02-295.

All 02-296 wants to say about himself is that he is "a member of Somandros, California's finest SM club."

And, 02-297's message is that he is both the founding president and the current (1991) president of the Los Angeles Hall of Trident International.

TC 02-294 (at right) This TC is a go-getter: Founder of the Southern California Master and Slave contest (for which he says contestants are wanted, by the way). He is also a journalist, and says he's into everything but scat, children, and drag.

A Hot *Valentines Day* And Night

Photos by Jim Wigler, from the *Drummer* archives.

Master Mike—Tough Customer 02-290—included with this story a note that says, "This is a story, but it may be real! It is!" He dated the story on February 14, 1991, and subtitled it "a true story of love & heat." Whatever... we think you'll find it interesting.

I know the line is supposed to be "a boy and his dog." But, since I happened to grow up and be a man, I decided to get myself a DOG. Now, not just any old dog would do, a special dog this had to be. And I couldn't find the right one, so I let him find me! And he did! *Woof! Woof!*

Of course, this dog had a few things to learn, so I invited him to a sleazy motel in town. He came running 60 miles to see what I wanted! I had a friend with me just in case I had trouble. As it turned out there was no trouble at all, except for getting rid of the friend so I could go to work on DOG.

I had already gone out and got him a new leash, food and water bowl, some dog chow, and a heavy COLLAR. I had a feeling he was going to need HEAVY. When I put his collar on him, he whimpered a bit, and I stroked him gently. Save the rough stuff for later.

Well, what was I going to call my new pet? His proper pedigree said his initials were G.D., so I thought: "Perfect! I'll call him G.D. Dog, which can stand for his name or for GODDAMDOG!"

So I went to work on him. Put some food out for him and showed him where it was. He didn't want to touch the stuff! He just wanted to nuzzle my crotch (Ya know how dogs are). I pushed him away. He persisted. I hit him. He came back for more. I took him, carried him, and shoved his face down into the bowl and held it there till he ate! "Well that's better," I said. So we were off to a good start at last. *Shit, I've been waiting a long time for this dog.*

My friend came into the room and I said: "Look how my new dog is doin'! He's gonna be a real show dog!" Then I said, "Lets take a walk, G.D." I got him all hitched up to take a tour of the motel. And hot damn, what a walk! We were upstairs, did the whole circuit around, stopping at rooms where men were visible. I introduced my dog to the guys (sometimes to their great amusement). Then I said, "let's head down the steps boy."

Now that's not all that easy for a young dog, but he negotiated it by sliding his rear end down step by step. "Wow! Heat up that ass of yours, Pussydog, I'm gonna make it sing tonight!" After negotiating the whole tour below, we clamored back up the steps. More introductions: "Pet him, he won't bite." But he snarled at the first touch and I said, "Bad dog!" Boy, was he in trouble now!

I yanked on his leash, and headed back to the room, dragging him as I went. *BAD DOG! BAD DOG!* In the room, I threw him on to the bed, got some rope, and tied the fucker down. Tight. Mean. Hard.

"Okay, you Goddamdog," I said, "you've had it now. I'm gonna gag you to make you stop whimperin'." And so I did! Then I had another thought: my friend had brought along some great PERMA-BILT black boxing gloves cause he loved them and had turned me on to them too. So I got my dog up as erect as possible so I could get to his belly and jaw, and put on my gloves. I fiddled with his doggy dick to see if I could get a twitch. *Nope, not much.*

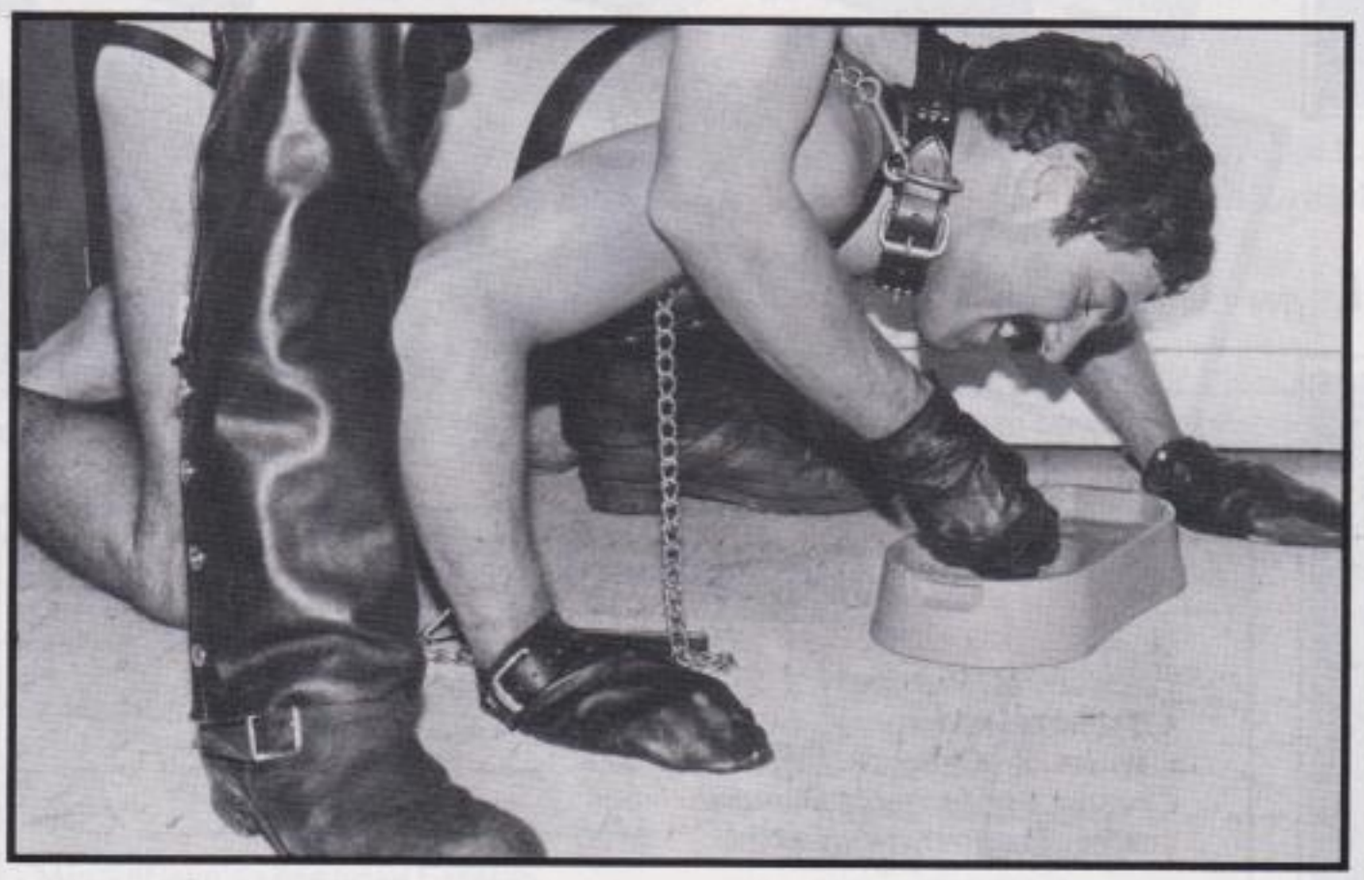
I said to myself, "I'm really going to enjoy this!." I tapped him gently a few times then said "Better get ready for this, dog, I hope this hurts!" And I slugged him in the jaw. He jumped. I growled. I hit him again. He cried. I spit in his face. I punched him in the belly, HARD, till he and I were both gasping for breath!

Then, I got out a black hood and put it on my head, leaving just the eye holes open. (A really frightening look, I'd say.) I got a black bandanna and blindfolded him. I put him back, belly-down to the bed. "You're

gonna get it now dog," I said mercilessly. Yeah! Yeah! Yeah!" And I gave another push to his gag—some dirty undershorts!

I punched his ass with the gloves on a few times, but that wasn't so interesting. So, I took them off and took off my belt, a thick leather one with metal studs. I walloped him! Again and again! All he could do was moan and whimper. At least he wasn't barking to arouse the neighbors.

But wait, maybe that's not such a bad idea. I opened the door so men passing by could see what was taking place. I started hitting him again with the belt and pretty soon there were several dudes in the doorway. "Hi guys. This is my dog. He's a *BAD* DOG. Come on in and lend a hand." They were hesitant, so I went over to the door and said, "Look, my Dog is new to all this and I think he needs another man's touch to help him learn." So one finally came in and approached my dog. "Take off your belt," I suggested "and go to it!"



He did. He started slowly (How scientific!), then worked up to a higher pitch. The other men were getting interested now, and came in too, taking off their belts. "Come on dudes, let's make a party of it!" I said. And we all went after his ass and back. I straddled him and lifted his head. Pulling out his gag, I shoved my dick in his mouth. The other guys got inspired, and the one with the biggest dick pushed the other two aside, and shoved it in to the dog's asshole.

I moved aside, and put dude number two in my place, and told the third one "now serve me." He snapped to! I got some grease and shoved my fist in to the dog's now stinging and tender arsehole. He could only wiggle and squirm as I moved my hand in and out, harder and harder, punching again, but in a different way than before. His squeals turned into whimpers, his whimpers turned into long sighs of satisfaction. I knew just how it felt. *You have to share the best things in life with your dog!*

Finally, all the guys had a turn, we were exhausted and ready to close up GDDOG for a while.

Now the truth is I would like to present this scene at a leather bar, even in a leather contest, at the risk of offending delicate leathermen. I think most will get off on it! I intend to!

So, anybody interested in participating, write me by way of the usual Tough Customer mail forwarding route. (Instructions are on page 4.)

Anal Pleasure & Health

SECOND EDITION

Jack Morin, Ph.D.

In these days of doubt and fear it is always a pleasure to find a book that gives positive, sound, research-based information on anal sexuality while dispelling the myths. It is commonly believed that people who regularly enjoy sensual erotic anal stimulation inevitably run a greater risk of developing medical problems. The belief is that one must choose—*either* anal pleasure *or* anal health. For many, the strength of this conviction has been intensified even further by the AIDS crisis.

In *Anal Pleasure & Health*, the reader will discover that there is no inherent conflict between anal pleasure and anal health. On the contrary, a person who wishes to expand his/her capacity for enjoying anal stimulation is advised to take virtually the same steps as the person who desires optimum anal health.

Dr. Morin covers such forbidden topics as anal self-exploration, locating and exercising anal and pelvic muscles, stress and tension release through anal stimulation, proper douching and lubrication techniques, physiological aspects of "fisting," confronting the taboos concerning feces, homophobia and masculine/feminine roles, oral-anal stimulation (rimming) and even suggestions on finding a sympathetic physician.

Now in its second edition, *Anal Pleasure & Health* contains full research data, bibliography, and an entirely new section on common medical problems of the anus and rectum, which includes a comprehensive discourse on AIDS and coping with the crisis.

SSCo special purchase, originally used by livestock breeders to castrate animals. Use the specially designed pliers to place the rings on the nipples. As the rubber rings squeeze, the nipples enlarge (the same way a cockring increases erection) greatly increasing the sensation for the wearer.
